

WEEKLY UPDATE

August 14, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had seventy residents and twenty-two staff members test positive for COVID -19. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility.

Over the next two weeks, we will be conducting a Respiratory Protection training program for all facility staff members. This education will further enhance our infection prevention efforts.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-829-7220.

Sincerely,

Ellen Kelly, LNFA

Administrator
