

## **WEEKLY UPDATE**

**August 21 ,2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had seventy residents and twenty-two staff members test positive for COVID -19. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility.

We are starting a new relationship with the local Nevada Quality Improvement Organization as an additional resource to review all of our COVID 19 policies and to obtain additional information on facility best practices in infection prevention.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-829-7220.

Sincerely,

Ellen Kelly , LNFA

Administrator
