

WEEKLY UPDATE
September 25,2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had seventy residents and twenty – two staff members test positive for COVID-19. We are happy to report that, as of today, we have no new confirmed cases of COVID-19 in our facility.

Based upon the lower Washoe County positivity rate for COVID 19, we are now able to convert to testing all staff members on a once a week schedule. We continue to utilize best practice infection prevention protocols from our training with the Nevada Quality Improvement Organization. The Director of Nursing and Administrator have also completed a COVID 19 infection control training program conducted by the Centers of Medicare and Medicaid.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-829-7220.

Sincerely,

Ellen Kelly
