

WEEKLY UPDATE
September 4 ,2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had seventy residents and twenty-two staff members test positive for COVID-19. We are happy to report that, as of today, we have no new confirmed cases of COVID-19 in our facility.

Over the last week, the Administrator and Nursing Managers had the opportunity to review our clinical and environmental processes for COVID-19 prevention with the state Quality Improvement Organization.

We have also just received our equipment and testing supplies to screen all staff on site for COVID-19. We will begin our testing procedure on this Friday. Staff will be screened on a twice weekly basis.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-829-7220.

Sincerely,

Ellen Kelly
